## HEALTHY, BALANCED SKIN

Skintelligence® is an all-inclusive botanical skincare line with natural extracts that soothe skin, giving the appearance of healthy, vibrant skin.

Skintelligence provides alpha-hydroxy acids to help revitalize the skin. Plant-derived extracts like lemongrass and lavender help soothe skin naturally. Other brands claim they contain natural ingredients but are harsh on the skin. Because of its natural properties, Skintelligence is great for even the most sensitive skin, offering ingredients that are mild, yet effective. Creamy and light, Skintelligence is the most valuable botanical skincare around!

In any skincare regimen, the order of products is dependent on the texture of the product — apply the lightest-textured products first and end with the heaviest. Apply treatments using a light patting motion, ensuring the entire face has been covered.

## SKINTELLIGENCE DAILY SKINCARE REGIMEN

*For best results, utilize the following regimen daily.*

### STEP 1 | CLEANSE ☀️🌙

First, cleanse with **1 Skintelligence Hydra Derm Deep Cleansing Emulsion** (a.m. and p.m.), a hydrating, creamy cleanser that loosens and dissolves dirt, makeup and oil. The soothing formula is enriched with gentle, natural ingredients like aloe vera, chamomile extract and lavender extract.

### STEP 2 | TONE ☀️🌙

Tone with **2 Skintelligence pH Skin Normalizer** (a.m. and p.m.). This toner is a pH balanced toner that helps to support elasticity and clean, smooth, balanced and moisturized skin. This alcohol-free formula exfoliates dead skin cells and removes traces of dirt, makeup and other impurities which clog pores.

### STEP 3 | TREAT ☀️

Apply **3 Skintelligence Skin Perfecting Complex** (a.m.). Enriched with natural extracts such as dandelion, carrot, lemon grass and violet, the skin perfecting complex helps to smooth skin and retain moisture for longer periods of time, revealing more radiant, youthful looking skin.

### STEP 4 | MOISTURIZE ☀️🌙

For normal to oily skin, apply **4 Skintelligence Alpha 24 Triple Revitalizing Complex** (a.m. and p.m.). This scientifically-formulated product has alpha hydroxy, triple-revitalizing complex that helps protect against the visible signs of aging. It promotes the normal emergence of younger, healthier-looking skin cells to the surface.

Or for normal to dry skin apply **4 Skintelligence Daily Moisture Enhancer** (a.m. and p.m.). This unique emulsion formula protects and re-moisturizes the inner tissues to give your skin a smooth, firm and youthful-looking appearance. The formula is non-oily, naturally fragrant, pH balanced and may be applied under makeup.

### DETOXIFY/EXFOLIATE ☀️ or 🌙

Two to three times a week, apply **5 Skintelligence Facial Firming Masque** (a.m. or p.m.). All it takes is 12 minutes for tighter, toned and smoother-looking skin. The innovative masque promotes circulation and improved skin texture and can help to temporarily reduce the visual effects of aging, stress and the environment.
